

Open Enrollment 2010

Benefits @ Work

Onsite webinars allows attendee interaction

In an effort to reach more employees with information about health care benefits for 2010, the State Personnel Department will be hosting webinars around the state. These webinars will provide an added opportunity to learn about options available to you and your family and ask questions of the Benefits staff.

Seating in each of these areas is limited, so register early, making sure to get your supervisor's approval first. While there is no charge to attend, you do need to register at least one business day in advance.

Please note that the Nov. 5 session will include an interpreter for those who are hearing impaired.

Friday, Oct. 30 from 10 to 11:30 a.m.

Monday, Nov. 2 from 10 to 11:30 a.m.

Wednesday, Nov. 4 from 2 to 3:30 p.m.

Thursday, Nov. 5, from 10 to 11:30 a.m.

For those attending any sessions at a correctional facility, the following security measures will be in force and must be followed for anyone attending a session:

- No cell phones or electronic devices are permitted (other than state-issued cell phones).
- Do not bring more than \$40 cash with you.
- Bring your state ID (if you don't bring your ID, you will need to go to the information desk and show a picture ID so that you can be issued a visitor's badge).
- Employees will go through shakedown prior to entering the facility.
